1. Referenced Documents

[1] JTC1/SC32 N0563 (=JTC1 N6205) Resolutions from the Meeting of the JTC 1
Special Group on Strategic Planning, 19-21 June 2000 in Zurich, Switzerland

2. Discussion

WG5 has noted the proposed changes to JTC 1 Structure contained in [1]. These changes request SC's to apply to participate in a trial of the new procedures for either the entire SC or a limited number of their working groups or projects.

WG5 has discussed the possibility of participation. Because of the close technical relationship between WG5 and WG3, WG5 concludes that it would be in WG5's interest to participate if SC32 decides to participate in a limited fashion for some of its other working groups.

3. Proposal

WG5 requests SC32 to include Working Group 5 and all of its projects in any SC32 approved trial if and only if Working Group 3 participates.
