LETTER BALLOT

From document **ISO/IEC JTC 1/SC 320803**, JTC 1/SC 32 Plenary Resolutions, 2002-05-10, Seoul, Korea

“Resolution 25: SC 32/WG 03 Call for Editors and National Body participation (*Resolution WG 03 / 14*)

“SC 32 instructs its Secretariat to submit the following call for Editors and National Body participation to all P and O members:

“At the SC 32 meeting held in Seoul, Korea, WG 03 accepted responsibility for project 20606 with subprojects: 20606-1 Authorization and Audit and 20606-2 Encompassing Transaction. Prior to that meeting the Editors of both subprojects either withdrew or became unavailable. No National Body sent an expert to Seoul to progress either of these subprojects.

“SC 32 calls on National Bodies to nominate Editors for these subprojects and to affirm or re-affirm their intention to send experts to progress these subprojects.

“Unless an Editor is nominated and unless a significant number of National Bodies register their intention to send experts to work on these subprojects, SC32 will be obliged to cancel them at the next SC32 plenary, which will be held in Santa Fe, New Mexico, USA, in January 2003. To bring certainty to the work, WG3 requires responses by 2002-10-01. The SC32 Secretariat will notify National Bodies of the outcome of this call for participation immediately thereafter.

“In the event of a successful response, this will allow time for participants to prepare materials for a productive meeting on these projects at Santa Fe, or, in the absence of participants, National Bodies need not expend further resources on these projects.”

This letter ballot is to be returned by each "P" National Body to the JTC 1/SC 32 Secretariat no later than 2002-10-01.

Question 1 for Project -1.32.53.01.01.00 – Authorization and Audit:

* We intend to participate in Project 1.32.53.01.01.00 Information technology - Data Management and Interchange – Authorization and Audit

OR

* We do not intend to participate in Project 1.32.53.01.01.00 Information technology - Data Management and Interchange – Authorization and Audit

Question 2 for Project -1.32.53.01.01.00 – Authorization and Audit:

* We intend to nominate an Editor for Project 1.32.53.01.01.00 Information technology - Data Management and Interchange – Authorization and Audit
