Hosts for Future SC  
32 Meeting...

Dear Doug,

I refer to your e-mail of 12 April 2004 on the topic of hosting future meetings of JTC 1/SC 32 (see attached).

The DIN Information Technology Standards Committee, NI, offers to host the meetings of JTC 1/SC 32 and its WGs in Berlin, Germany, in April 2005 (2005-04-11/22).

We would be honoured if SC 32 accepts this offer and decides to hold its 2005 meetings in Berlin at DIN.

I have reserved rooms at DIN for four WGs and for the plenary. I have taken the Sian meetings as "template" for the room reservations. More details here:

2005-04-11 to bis 2005-04-22 (mo-su + mo-fr)  
1 meeting room (for about 20 experts) for one WG, 2 weeks

2005-04-18 to 2005-04-22 (mo-fr)  
3 meeting rooms (for about 20 experts each) for three WGs, 1 week

2005-04-18 (mo) + 2005-04-22 (fr)  
1 meeting room for the plenary of SC 32 (for about 100 experts (or more))

These are weeks 15 and 16 of 2005. Easter is at the end of March in 2005. I must stress that we are not very flexible with regard to accommodating possible wishes of SC 32 for shifting the dates of the meetings since bookings for our rooms at DIN for the year 2005 are coming in at a rapid rate. It is getting more and more difficult to reserve whole blocks of rooms for periods like one week or two.

I have not yet made any arrangements for hotel bookings.

Christoph Lingenfelder and Joern Bartels will be present at the meetings in Sian as the German delegation and will be pleased to extend the invitation to the plenary of SC 32 in person.

If there are any questions please let me know. Please note that I am on vacation from 2004-05-07 to (and including) 2004-05-17.

Best regards

Cord
