**Offer to nominate Mr. Wenfeng SUN as the  
ISO/IEC JTC1 SC32 WG1 “eBusiness” Convener**

Dear Mr. Paul Levine,

Regarding Resolution WG1/15 “Request for nomination of candidates for SC32/WG1 convener” in the ISO/IEC JTC1 SC32 WG1 document N0362 “JTC1/SC32/WG1 Resolutions, Hangzhou, China October 2007”, China National Institute of Standardization would like to nominate Mr. Wenfeng SUN as the next convener for WG1.

Mr. Wenfeng SUN has been working in CNIS for many years and he has undertaken many China National standardization works and the co-editorship of ISO 15944-7. CNIS are fully confident of his capabilities as a convener and will provide all the necessary resources (financial and manpower) for SC32/WG1.

CNIS had also applied the nomination through SAC(Standard Administration of China), and SAC had approved CNIS nomination of Mr. Wenfeng SUN as the next WG1 Convener, and registered Mr. Wenfeng SUN’s information into the ISO database.

We are fully prepared to submit more detailed information should you or the membership of SC32/WG1 require so.

Yours sincerely,

Ping Wang  
Vice Chief Engineer  
China National Institute of Standardization
