## COMMENTS:

### Australia

Abstain. Lack of expertise and interest:

### Korea

Abstain. Lack of expertise and interest:

### United States

No. See comment (below):

Comment ID: USA-P13-001

See Also:

Severity: Minor Technical

Reference: P13-02.02, Other International Standards

Description:

Incompatible references. The Java API and Serialization specifications should be at the same version level as the JDBC specification.

End of Comment

Solution:

Update the following references:

3rd and 4th references are [J2SE] Java(tm) 2 Platform Standard Edition 5.0 API Specification, <http://java.sun.com/j2se/1.5.0/docs/api/index.html>.

[Serialization] Java(tm) Object Serialization Specification, version 1.5.0

<http://java.sun.com/j2se/1.5.0/docs/guide/serialization/spec/serialTOC.html>.

but should be changed to:

[J2SE] Java(tm) Platform Standard Edition 6 API Specification,  
<http://java.sun.com/javase/6/docs/api/index.html>

[Serialization] Java(tm) Object Serialization Specification, version 6.0

<http://java.sun.com/javase/6/docs/platform/serialization/spec/serialTOC.html>"
